APPENDIX C

Report on Home and State Mission.

Your committee on State Mission work report: That while we, as an Association, have not come fully up to our promises, yet we feel to endorse the action of the State Board, believing the plan adopted by said board is as near perfect as well can be. They have in the field 56 missionaries and 8 colporteurs. The board is free of debt. Brethren there are grand possibilities for the Baptists of Mississippi. Then like good soldiers let us fall into line, take the step to the music of the glorious Gospel, and shoulder to shoulder march on to grand and assured victory.

Respectfully submitted.

J. A. Cox,  
J. P. THOMPSON.

APPENDIX D

Report on Church Letters.

Your committee beg to report: That owing to the form of the church letters used, the animus and spiritual condition of the churches cannot be ascertained therefore, except as may be gathered from the reporters statistics. Revivals have occurred in most of the churches. Thirty three churches have been reported. Accessions, by baptism 257 by letter 142, by restoration 34. Total membership reported 2707.

We are glad to report that the churches are generally at peace and harmony, but sorry to see that they are not growing in the graces of giving. We hope the clerk of the Association will publish in the minutes, a form for the guidance of the church clerks, and they will follow the same in their next report to this body.

Respectfully submitted.

J. C. ARNOLD,  
J. A. Cox.

APPENDIX E

**Ministerial Education.**

Your Committee to whom was referred the subject of Ministerial education beg leave to submit the following:

DEAR BRETHREN:—We should be very careful in recommending ministerial students. Let us have reason to believe that they are called of God to the sacred duty of preaching the gospel. After this, we believe it is our indispensable duty to aid such men in obtaining an education. No trust more sacred has ever been committed to mortal man than the preaching of the Gospel. This being the case the man should be well qualified to preach the gospel to you and your children. As they are to teach us then it becomes our duty to aid in this work. Will we do it? or will we remain neutral?

Brethren we humbly beg that every pastor in our Association take a collection during the present year in order that we may assist our worthy brothers W. H. Thompson and A. C. Ball, who are worthy of our confidence and support.

Respectfully submitted

T. N. Lusk, Chairman.

APPENDIX F

**Report on Sabbath Schools.**

Your committee on Sabbath School submit the following:

We regret to report the lethargy in the Sabbath Schools work in our Association, very few of our churches report any schools, and we take it for granted that they have none. Brethren this is not as it should be. We should not content ourselves until we have a Sabbath Schools in every church. We believe that next to the preaching of the gospel the Sabbath School is the greatest instrument in the hands of God in the conversion of souls. There is no telling the good that a faithful Superintendent with a consecrated corps of teachers guided by the holy spirit can accomplish in winning souls for Christ. The superintendent should be a live active man; the teachers should be devoted consecrated christian men and women.

How could we better spend our Sabbaths than by gathering in the children and teaching them as best we can the blessed truth of God's holy word.

Another point we wish to urge is the importance of using sound literature, and first of all, let us study the Bible. Then we would recommend the use of Lesson Helps of the American Baptist Publishing Society and works published for the Southern Baptist Convention.

Dear brethren let our motto be an ever growing Baptist Sunday School in every church in our Association. Let

us every Sabbath gather in the children and teach them the glorious truths of God's Holy word and pray God to sanctify our teaching to the salvation of our children. We recommend the following resolution.

Resolved that each pastor in our Association be requested to use his influence to organize a Sabbath School in each of his churches, equipped with the Literature recommended in this report,

Respectfully submitted

T. H. WILSON,  
J. H. PRYOR.

#### APPENDIX G

##### Nominations.

The committee on Nominations beg leave to report the following: T. N. Lusk, to preach the introductory sermon at the Association to be held with the Bethel Church Calhoun county Miss., and Bro. C. A. Hicks Alternate.

Respectfully submitted

TERRELL ROSE  
J. N. PATTERTON,  
J. M. RODGERS.

#### APPENDIX H

##### Report on Periodicals.

Committee on Publications submit the following:

The Christian press is the great lever of progress in the Christian world. We need to encourage a pure literature, and while we earnestly recommend the daily study of God's word as the book of books, we also recommend that our people be more liberal in supplying their families with good sound and instructive literature, books of undeniable moral and religious influences. We recommend first of all our own paper, the Record, and the Tennessee Baptist, published at Meridian, Kind Words for little ones. And that our people may become better informed in regard to our foreign work we also recommend the Home and Foreign Journal.

Brethren we must get our people to read more that they may intelligently comprehend the situation and realize the importance of co-operating in all departments of our work.

Respectfully submitted,

M. C. ALLEN,  
A. BRUNS.

#### APPENDIX J

##### Report on Prohibition.

Your Committee to whom was referred the question of the prohibition of the liquor traffic would report that the great work is progressing satisfactorily all over our great na-

tion; the good people are rising up in mass against the monster evil. Satisfactory progress has been made in the great work; only in Texas have we suffered defeat, but our brethren over there are not discouraged, but are boldly carrying on the fight; and the benediction of high heaven will rest upon them in due time. In our own State the cause is wonderfully advanced under our local option law. Not a foot of territory has been lost, while we have added a goodly number of counties to the temperance column.

We are glad to say that the Baptist have been abreast with the foremost in this work for "God, home and native land," and we urge our brethren to renewed efforts against this "pestilence that walketh in darkness and the destruction wasteth at noonday."

We earnestly recommend that our brethren make this subject a special object of prayer.

Resolved, That as an Association we endorse the action of the States and U. S. Congress that have passed scientific temperance instruction laws with special reference to the effects of alcohol and narcotics upon the human system. We will lend our aid to securing similar legislation for Mississippi, believing it to be the surest way of educating the children in scientific temperance instruction.

W. A. Cox.

ARTICLE 1. The Association shall be composed of members chosen by the different churches in our Union, who, on producing their credentials, shall be entitled to seats.

ART. 2. The members thus chosen and convened, shall be known by the name of "THE ZION BAPTIST ASSOCIATION," who shall usurp no authority over the churches in our Union, or infringe on any of their rights; but shall merely be considered as an advisory council in all matters relative to their internal concerns; nevertheless, it becomes necessary in some cases to have a uniform rule of procedure, namely: If one church commit an offense against another, it shall be the duty of the offended church to labor with the offender for satisfaction. If she fail of success, she shall call the aid of two or more sister churches in our Union to assist in laboring for satisfaction; and if satisfaction in the opinion of the helps there called be not obtained, the aggrieved may bring the case before the Association, which shall be taken up and decided upon, according to its merits. If a serious difference should arise in our individual Church, which upon due labor cannot be reconciled, she shall call the aid of two or more sister churches to assist in the work; and if a reconciliation be not effected, the helps so called, or the church, may bring the case before the Association to be acted upon according to its merits. But the Association will take no cognizance of any case of the above kind unless a due course of procedure shall have been previously pursued, according to the economy of the church discipline found in the 18th chapter of the gospel of Matthew, and other parts of the Scripture which defines the nature of offenses and the manner of bringing offenders to trial.

ART. 3. The churches in our Union shall transmit to every annual session of the Association, written communications specifying the names of their delegates, the number in fellowship; baptized, received by letter, dismissed, excommunicated, restored, deceased since the last session, which shall be read and minuted accordingly.

ART. 7. At our sessions of the Association, a Moderator shall be appointed by, and from among the delegates present, whose duty it shall be to see that the rules are strictly observed, and to take the voice of the Association on all subjects legally introduced. ART. 8. The Association shall have power to exclude from her Union any church that may violate the Constitution, or depart from the orthodox principles of the Gospel.

ART. 9. The Association shall furnish the churches with the minutes of every session.

ART. 10. Every query sent by a particular church must be included in her letter, certifying that she has endeavored to settle it, but failed. In such case the Association shall take it under consideration, and the voice of the majority shall be considered an advisory answer, which shall be entered on the minutes.

ART. 11. Queries which immediately concern the general union of the churches, sent by a particular church, or introduced by proper motion, shall be taken up and decided on as soon as practicable.

ART. 12. Any church in our union having a preacher whom she may deem worthy of ordination, shall call a presbytery of ministers from sister churches to officiate in the work, and all presbyteries in the ordaining of ministers and deacons, or in the constitution of churches, shall be governed by the Abstract of Faith adopted by this Association.

ART. 13. The Association shall have a fund, supplied by the voluntary contribution of the churches, and all moneys thus contributed shall be transmitted from the churches by her delegates, and paid over to the Committee on Finance. ART. 14. It shall be the duty of the Clerk of this Association to keep a regular file of the printed minutes of every session of this body.

ART. 15. The Association shall not adjourn any session until she shall have finished all business on hand, except in extraordinary cases.
